

The Dovetail logo consists of the word "dovetail" in a lowercase, sans-serif font. The letter "i" is stylized with a blue dot and a blue tail that extends to the right, overlapping the word "connect".The word "connect" is written in a white, sans-serif font inside a blue speech bubble shape that points downwards.

TM

Dovetail Connect™

Dovetail Connect™ is a powerful communication and collaboration tool for dental professionals. It simplifies the patient referral process between dentists and specialists. It provides instant notifications when patients are ready to be seen, and allows to start live chats and share documents with collaborators with a simple click (patients information, exams, treatment plans, progress notes, x-rays, etc.). Furthermore, it keeps track of all your communications so you don't have to.

Features

- Secure data sharing HIPAA compliant
- File sharing
- Live chat
- Contact management
- Communication tracking

Benefits of Dovetail Connect™

- Easy and secured communication and data sharing HIPAA compliant
- Streamlined patients referral process
- Real-time access to updates and information
- Increased referrals and customer loyalty
